**ORDER NO. 9070**

**AND NOW**, this 20th day of June, 2017, the Public Service Commission (the "Commission") determines and orders the following:

**WHEREAS**, on October 4, 2010, by way of Order No. 7851, the Commission granted a Certificate of Public Convenience and Necessity ("CPCN") to Tidewater Utilities, Inc. ("Tidewater") to provide water services for fourteen parcels of land in Sussex County identified as "Sussex 61810"; and

**WHEREAS**, the Commission retained jurisdiction in this matter, including the authority to enter such further Orders and conduct such further proceedings as it deemed necessary or proper; and

**WHEREAS**, on March 28, 2017, Tidewater submitted an application (the "Application") to the Commission which sought approval to abandon or discontinue providing water operations or service for one parcel of land that is included in the CPCN previously granted to Tidewater in

Order No. 7851, specifically Sussex County Tax Map Parcel Number 533-18.00-33.03 (the "Parcel"); and

**WHEREAS**, Tidewater has not requested any change with respect to the other thirteen parcels of land, and as such, these other thirteen parcels remain included in Tidewater's existing water CPCN pursuant to Order No. 7851 and are not affected by this Order; and

**WHEREAS**, 26 Del. C. §203A(d)(1) provides that no public utility shall abandon or discontinue, in whole or in part, any business, operations, or services provided under a CPCN or otherwise, which are subject to jurisdiction of the Commission without first having received Commission approval for such abandonment or discontinuance; and

**WHEREAS**, 26 Del. C. §203A(d)(3) provides that the Commission shall approve any application for abandonment when it finds that the utility has met its burden of proving that the abandonment or discontinuance is reasonable, necessary and not unduly disruptive to the present or future public convenience and necessity; and

**WHEREAS**, based on its review, Staff recommends that the Commission approve the Application because it believes that Tidewater has met its burden of proof as set forth in 26 Del. C. §203A(d)(3). First, the abandonment is reasonable because Tidewater has stated that it has not built any plant to supply water service to the Parcel. Second, it is necessary as the owner of the Parcel has consented to Tidewater removing the Parcel from their current water service territory. Tidewater noted that the Parcel is located within an area more readily served by a different water company. Artesian Water

Company has informed Tidewater that they are willing to provide water service to the Parcel. Lastly, the abandonment will not be unduly disruptive to the present convenience and necessity because no existing Tidewater customers are located on the Parcel. Hence, Staff finds that the abandonment will not be unduly disruptive to the future public convenience and necessity because the owner of the Parcel and any future customers should be able to seek water services from another public utility;

**NOW, THEREFORE, IT IS HEREBY ORDERED BY THE AFFIRMATIVE  
VOTE OF NOT FEWER THAN THREE COMMISSIONERS:**

1. The Commission hereby approves Tidewater's Application.
2. Tidewater shall, consistent with our previous practices, provide to the landowner of the Parcel (specifically identified as Sussex County Tax Map Parcel Number 533-18.00-33.03) at least 30 days' prior written notice of Tidewater's abandonment of water services. Tidewater shall provide proof of such written notice to Commission Staff on or before August 15, 2017.
3. Except for the specific removal of the Parcel from its currently-existing CPCN, Tidewater shall retain its CPCN as granted in Order No. 7851.
4. Tidewater is hereby notified that it will be assessed the costs of this proceeding pursuant to 26 Del. C. §114(b) (1).
5. The Commission reserves the jurisdiction and authority to enter such further Orders in this matter as may be deemed necessary or proper.
- 6.
